3. This agreement is entered into between: (a) the State of \_\_\_\_\_ ("the State"); (b) the undersigned participant(s) ("CRP participants") in Conservation Reserve Program ("CRP") contract No. \_\_\_\_\_ ("the CRP contract"); and (c) the Commodity Credit Corporation ("CCC") of the United States. The parties agree as follows:
- (d) The State is carrying out a special conservation reserve enhancement program in accordance with the Memorandum of Understanding ("MOU") between CCC and the State effective as of (1) \_\_\_\_\_ and agrees to succeed to the interests of the following CRP participants (2) \_\_\_\_\_, in accordance with the terms and conditions of the MOU and to comply with the terms and conditions of the CRP contract.
- (e) The CRP participants identified in paragraph 3(d) agree to the State succeeding to their CRP interests.
- (f) The State, together with those CRP participants (if any) whose interests are not succeeded to by the State, assumes responsibility for submitting any documents needed to determine compliance with the MOU and the CRP contract.
- (g) The terms of the CRP contract shall continue in force except as specifically modified by this Addendum.
- (h) As regards the CRP payments to be made to the CRP participants whose interest are succeeded to by the State, all CRP payments to be made under the CRP contract as of the date that this Addendum is entered into or which become due and owing after that date, whether to be made in commodity certificates or otherwise, shall be made to the State or made pursuant to an assignment of payment made by the State.
- (i) All of the CRP participants, including those identified in paragraph 3(d), certify that all parties who contracted with CCC under the CRP contract have signed this Addendum and that the parties signing this Addendum for the CRP participants have the authority to do so. The State certifies that the person signing this addendum has the authority to do so.
- (j) This addendum shall become effective as of the date of the last signature thereto.
- (k) If the State has succeeded to the interests of all of the CRP participants, official CCC notices regarding the contract shall be given to the State. If the succession is partial only -- i.e., if the State has succeeded to the interest of some but not all of the CRP participants -- official CCC notices shall be sent to the State and the official "operator" of the farm as shown on the current FSA records, and such notice to the State and operator shall be notice to all parties who are subject to the contract. If as regards a partial succession the parties designate in writing some other person to receive such notices, the county FSA office will endeavor to have notices sent to the designated person rather than to the State and farm operator.
